Old Business

- Show Report
 - Fluorescent Display
 - Still working on the case and light controller. Should be ready for the show.
 - Any members who want to add fluorescent mineral specimens to the club display in October should contact BruceK.
 - No food vendor yet. JackieH is working on this. If you have ideas, let her know.
 - We need a vendor to take Dennis Hall's 16' table. Tom Payne can take the spot, but needs more space.
 - Bills is concerned that we may not have the quality of silent auction material to compete with other area shows.

New Business

- Treasury:
- Field Trip Report
 - Saddle Mountain was very successful
 - DaveS is organizing a summer Field Trip to the Delta, Utah area. He will be in the area for about 2 weeks, leaving Seattle on July 20. Get your hotel reservations early. Bills recommended "The Bug House" rock shop in Delta. Contact Dave if you're interested in the trip.
 - The East KingCo club has invited us to join all of their field trips and we will reciprocate. They have a trip to Hansen Creek coming up.
- VedaD donated Kalama tumbling material.
- EleanorD sent a thank you for the flowers.
- JackieH was at Richardson's Rock Ranch and found a large pile of Mookaite.

Program

- We had many, many bragging rocks, door prizes and a silent auction.
- We watched two short videos from the 2012 "A Celebration of Agates":
