

# Bellevue Rock Club

## Meeting Minutes

May 6, 2014 7:00—9:10 p.m.

### *New Business*

- 1 guest
- Treasury: [REDACTED] petty cash.
  - We will be spending about \$200 on buckets.
  - We bought a huge amount of rocks at an estate sale for \$700.
- There is still a lot of equipment for sale at the estate sale. Contact BruceH for more information.
- Dave Scott is planning a club trip to Idaho to screen garnets
- KevinR is planning to buy a set of large (24") saw blades and offered the club one. We approved purchase of one blade for up to \$600.

### *Program*

- We had many bragging rocks including
  - Tourmaline quartz
  - Petrified wood from Adna, Agate from Hampton Butte, Kalama, Paulina
  - Bits and pieces from Kalama
  - Brazillian Agate
  - Schist with garnet from Naisin Creek area near Leavenworth
  - Amber from Columbia with termites and eggs
  - Peoh Point agate
  - More Kalama finds
  - Agate/Jasper bookends
  - Agatebeach.com, Tumbling tips, Graveyard Point Plume
  - Bruce Kelley: Micro photos
- Door prizes and a silent auction
- Bills presented his technique for cutting small thundereggs by encasing them in "cement."
- We also watched the video "Red-gold and Polished, Upper Michigan's Hidden Treasures" with Wayne Sukow.

### *Approval*

Bruce Kelley, Secretary  
Bellevue Rock Club
